CONSERVATION PROJEKT

Xiphophorus – Northern Platyfish

CLUB/ORGANIZATION

Association France Vivipares
Association Angevine des amis aquariophiles
Fédération Française d'aquariophilie

CAPACITY

Two aquarium of 170 L and one 60 L for the Xiphophorus project at the moment.

VIVARISTIC EXPERIENCE

Several species of Goodeidae and Poeciliidae.

Motive force

For several years I have been involved in the maintenance of Poeciliidae and Goodeidae, to be able to preserve species like many people do and at the same time to be able to observe these incredible fish.
And I am hoping very much that these species do not disappear and that they are reintroduced in their natural inhabitants.
