breeding success

Zoogoneticus purhepechus, Tanque El Molino at Cayucapan, Haus des Meeres, Viena

Zoogoneticus tequila, Haus des Meeres

„Xenotoca“ doadrioi, Radda 1982

Ilyodon sp.

Ameca splendens

Motive force

For me aquaristic is not a hobby, it is the way of life. I would like to be part of the conservation project, so I can help to breed endangered species.
